DEDICATION

Because you are an outstanding person

who can hold the attention of a restless freshman
psychology class with your unique illustrations,

who can ease the mind of a discouraged upperclassman
with your friendly counsel,

who can relieve the tense atmosphere of a faculty
meeting with your ever-ready wit,

Because you have a sincere interest in your students'

spiritual development,

intellectual development,

physical development,

social development,

Because you have given eighteen years of your life to the growth and development of La Sierra College,

the METEOR staff respectfully dedicates the
1966 METEOR to GEORGE T. SIMPSON, Ed.D.

Development—
vital, inevitable, life-giving, gradual—
is eclipsed by routine and skimmed in the casual glance

Until the vantage point is reached—
a suspended moment of reflection in which memory
and image bind the panorama of past, present, and future.

Awe-struck, we grasp the span of our progress
and the magnitude of our future plans.

This panorama of growth and decay, the shining of scholars,
the strain for new knowledge, the gatherings of comrades
and souls, is forever renewed; and the cycle of development
revolves, touching all . . .

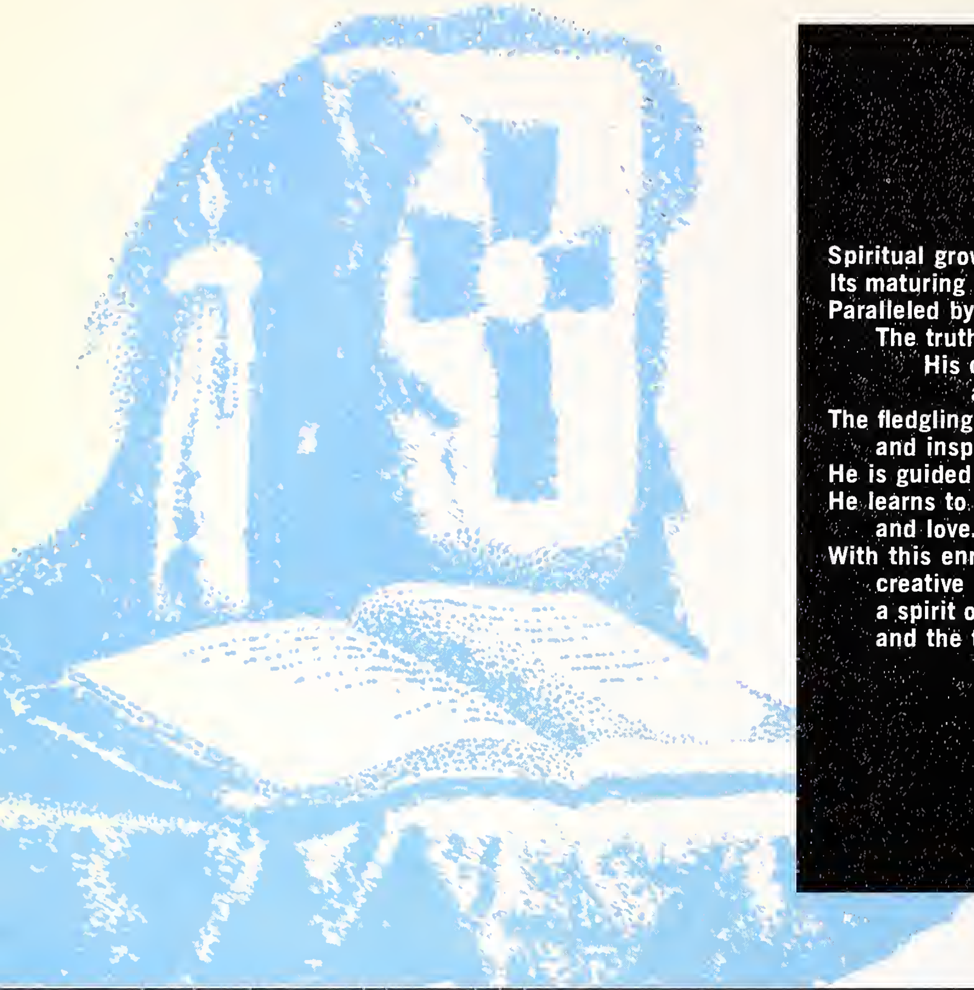
Touching all facets of the education of the total man—
his body, mind, and spirit, his needs, his wants, and his goals.
The ever-expanding challenge cultivates this man, his generation,
and our world is met by DIVERSIFIED DEVELOPMENTS AT LSC.

The genesis of the master design
is embodied in the bold architectural
evolution that requires no discovery
But testifies to its significance in both
first glance and daily contact.

The larval frame has emerged as a unique
creation—
bringing comfort,
inspiring pride,
and yielding enjoyment—

Evolving from the
cramped to the spacious,
from obsolete to pace-setting,
from basic to superlative,
Transformed from cafeteria to Commons.

This rejuvenated hub of college life
is externally symbolic of equally
dramatic inner expansion.



Spiritual growth is primary.
Its maturing influence on all elements of existence is
Paralleled by a systematic and tireless exploration for truth—
The truth about God,
His character
and desire for our lives.
The fledgling disciple is nourished by scholarly theologians
and inspired by devotional activities.
He is guided in using his spiritual wings to their full capacity.
He learns to study, interpret, communicate, understand—
and love.
With this ennobling love are found
creative pleasure,
a spirit of empathetic service,
and the true Source and End of all wisdom.

When the aspiring scholar mixes equally
the spirit, intellect, and hard work,
His goal is assured—whether he aspires to be dietician,
speech pathologist, political science teacher,
or physician.

The earnest freshman works feverishly to grasp the mass of
knowledge unfolded before him, and as a
Sophomore, completes the foundation, gains sharpened
ambition, and perhaps refines his aim.
Undaunted by expanded demands, the junior energetically
assimilates and investigates the details of his field,
Until, with polished skills, he completes the preparation of
his life to meet the inspection of
man and God.

So this is man—a social being.
A being desiring friends—whose friends become a crowd;
  a crowd of diverse faces and constant change:
Now jovial; then diligent;
Occasionally clumsy, but perfecting grace;
Always discovering . . . growing . . .

This is the crowd's environment—en masse or in solitude.
A place for molding acquaintance into friendship,
  for planning fun or defining goals,
  for relishing the warmth of spontaneous debate on
  inexhaustible topics—Koufax, dating, U.S. History,
  Viet Nam, semester exams, the Christian life—
For acquiring new concepts from the free interchange of ideas,
And for developing, perhaps subtley, a fresh perspective in
  man's understanding of himself and his social being—
  the crowd.

Health, stamina, mental perception, and creativity depend
on an efficient physique.
Yet to build an elastic, vigorous body takes work.
It takes instruction and practice.
Whether conquering Judo, improving a golf swing, or perfecting
dynamic gymnastics,
The student progresses toward the coordinated and untiring.
Abundant rewards are assured.

From the studied theories of counterpoint

Harmony develops into polyphonic music

by the skill of those

Training in this gentle discipline.

Musicians give the melodies

to the listener,

And from the soul of each is washed

the dust of everyday life.

Through the Service Corps
an investment is made:
of ingenuity
in giving happiness to the troubled;
of time
in easing the loneliness of the aged;
of talent
in guiding those who are seeking.
Open community-college association
and inevitable joy are the
Dividends of usefulness.
Reinvestment multiplies them tenfold.

PRESIDENT'S MESSAGE

Growth, expansion, development—these exciting terms characterize the dynamic era of our time. To go backward or even just to stand still connotes a lack of vision and is contrary to the thinking or action of aggressive leadership in our fast-moving time. Students like to experience a viable, living, moving, growing environment, and this is the kind of environment enjoyed at La Sierra College. Learning under a devoted Christian faculty is taking on new developing dimensions; modern facilities in which to learn and experiment are growing up on the campus in keeping with the forward-looking mood of our times; spiritual growth on the part of students and faculty is keeping up and, I believe, even exceeding in pace the momentum of a moving world. Thus the position on the La Sierra dial is go.

In this moving college environment, the students and faculty do pause to re-evaluate their spiritual condition and their opportunities of service for mankind. It is incumbent on each one not only to accelerate his activities but also to accelerate with honor and dedication in every pursuit.

So at La Sierra College things are moving, but they are moving with purpose and with a faith firmly established in God. May He guide us to pursue this purpose with discretion and integrity.

ADMINISTRATION

Dr. Ronald Drayson, who cheerfully lends his money-raising talents to student projects, has been selected stand-by major of Riverside by the Riverside City Council. Committees appear to be the forte of Dr. Richard B. Lewis, who is chairman of five and a member of six prominent campus committees. A general coordinator of all student affairs, Dean Nelson is chairman of the Dean's Council and Student Affairs Committee, as well as serving as advisor to the ASLSC Senate. Besides being responsible for all public relations, John T. Hamilton heads the publications board and works closely with LSC's Year Abroad Program. The ten-page application booklet designed by Robert L. Osmunson was put to wide use as his office processed over 1475 enrollments this year. Robert Hervig, Business Manager, is responsible for the overall financial transactions of the college. This year he initiated the policy of issuing student payroll checks twice a month instead of once.

ADMINISTRATIVE SECRETARIES

Mrs. Virginia Lewis acts as secretary for both Mr. Hamilton and Dr. Drayson in the Public Relations and Development Departments. Besides keeping the alumni address list current, she is responsible for the student affairs calendar and is also a member of the Social Affairs Committee. As secretary for the Community Concert Association in the Riverside area, Mrs. Lewis distributes the concert tickets and handles much of the publicity for the college. Kathryn Wood's job is to work on student recruitment and to process student applications for Elder Osmunson in the Admissions Department. She is also in charge of the student secretaries in this department. Gwen Case compiles the weekly announcement sheet and the bi-weekly Accent. Mrs. Marion Osborne advises campus men regarding their selective service problems. Editing the senior information booklet is one of Mrs. Mildred Harrison's main duties. Mrs. Doris Kellback, former dean of women in Gladwyn Hall during the school years 1960-63, is Mr. Hervig's secretary this year. As PBX operator, Mrs. Ricki Ricketts schedules and trains student switchboard operators, and records long distance calls, telegrams, and telephone charges.

BUSINESS OFFICE

Walter W. Melashenko, former academic dean of Canadian Union College, includes in his duties as college treasurer budgeting, insurance, student finance, and personnel administration. Mr. Melashenko, who arrived on campus in July, is assisted by Mr. James Leeper. Mr. Leeper is responsible for the new all-purpose laminated ID cards.

"Can you help me find a job?" is a question often asked of Roscoe Swan, personnel director. His answer is usually, "Yes." This year Mr. Swan has been largely responsible for giving 777 students on-campus jobs. These jobs include everything from washing dishes to grading papers. Sixty-seven students also work at Loma Linda Foods and Ace Drill Bushings, two industries closely associated with the college.

LSC ranks second in total wages paid to students by Adventist colleges. Students are also paid for their work by the federal government under the Federal Work-Study Program. Over 120 students have been aided by the government program this year.

REGISTRAR'S OFFICE

In his first year as La Sierra College Registrar, Dr. Lee initiated many revisions in registration procedures to make the process more efficient. With the new system of handling the IBM cards, the entire student body records are now stored on a metal disc four inches thick and 12 inches in diameter. The computer was reprogrammed by Hilmer W. Besel, assistant professor of mathematics.

To reduce the burden of paper work at the Registrar's Office second semester, Dr. Lee employed the California Plan, named because it was made popular by the University of California. The essence of this plan is having registration days serve as a time when student information may be obtained, students may be counseled concerning their programs, and students are given passes to registered classes. During the first two weeks of the semester, changes of program involve only the students' advisors and teachers. At the end of this period when class sizes are stabilized, the instructors give students class cards which are then turned in to the Registrar's Office by the students.

LIBRARY

Demco charging machines that facilitate check-out procedures are a revolutionary addition to the library. When the student's embossed identification card is inserted into the machine, his name, registration number, and the book's due date are printed on the library card. A graphotype machine embosses new or replaced ID cards. Enhancing the library this year are a new atlas case and a special glass display case for the facsimile copy of the historical Gutenberg Bible. Other additions include one annex for storing seldom-used books and magazines and 28 boxes of books from Loma Linda University.

President David J. Bieber and Dr. Wilfred J. Airey, members of the Library Planning Committee which expects to complete its two years of research this spring, did intensive study this past summer in eight college libraries in Illinois, Indiana, and Michigan.

A new convenience to the student at La Sierra College this year is the "one-day-of-grace" policy that permits the return of an overdue book without the student having to pay a fine for the first 24 hours that the book is overdue.

MEN'S DORMITORY

Novel housing methods are being used by the men's deans to accommodate the rapidly increasing enrollment. Twelve small houses located a short distance behind the boys' dorms and known as the "vet courts" are now serving dormitory students instead of married students. In addition, a new Walnut Street apartment building furnishes modern living quarters for thirty-six students under the supervision of resident assistant Gary Case, senior theology major.

The new men's dormitory, scheduled to be completed by September, 1966, is intended to cure the dean's current "space headache." The hill southwest of Calkins Hall will be crowned by this six-story, high-rise building with a capacity of 250 men. Each floor of the dorm is a "module unit" with room for 40 to 50 men and a resident assistant's suite.

Mr. Ray Shreve, new assistant dean of men, is administering MBK, the freshman dorm.

WOMEN'S DORMITORY

Laurene Jenkins, B.A., Assistant Dean of Women

Thirteen freshmen girls are very happy that LSC had a shortage of housing facilities at the beginning of the year. These girls have been living in the hilltop house, named for its location on a hill beside Ambs Hall and overlooking LSC and the surrounding community. Despite long walks to meals and classes, the girls have enjoyed living under the supervision of resident assistant Macherie King, junior music major.

Mrs. Laurene Jenkins, a mother of three from San Diego, is the new assistant dean of women. Mrs. Jenkins, who is in charge of fifty freshmen in Angwin Hall, joins Mrs. Vivian E. Smith, dean of women, as supervisor, mother and counselor for the 400 dorm women.

Gladwyn Hall is raising money for a new table and chair set. Hannah R. Hagstotz, assistant dean of women in charge of this dormitory, is enjoying a new office desk and chair set.

AGRICULTURE

A half million dollars in dairy sales during the last fiscal year shows the progress in the Agriculture Department. The new record was largely due to the efforts of 367 Jerseys, Guernseys, and Holsteins that produce 150 gallons of milk per day.

The LSC dairy also won four gold and two silver medals at Los Angeles, San Bernardino, and Riverside County Fairs. Experiments involving different kinds of cow feed are being conducted at the LSC dairy facilities by the University of California at Davis extension agency.

ART

DEPARTMENT

An excellent season of art shows was enjoyed by students who visited the LSC Art Gallery located in the Art Department facility. Paintings by Mrs. Chloe Sofsky were displayed, as well as a variety of those by local artists. Oils, pen sketches, and serigraphy (color prints made by the silk screen process) were included in the displays.

Commercial Art students competed with other colleges in a national poster contest while the Design Class applied block-printing techniques in making original Christmas cards.

EDUCATION

Two former academy principals have joined the Education Department. Dr. Vernon Koenig, from Lodi Academy, is teaching and supervising field work in educational administration and guidance courses. Dr. L. M. Stump, formerly of San Pasqual Academy, is teaching courses in school finance and administration.

Joe Filbeck was awarded a $1,000 assistantship from the Education Department testing service. Filbeck receives ten free tuition hours of schoolwork on the graduate level for 25 hours of work per week. His responsibilities include administration of tests, scoring, interpretation of results, interviews, counseling, statistical analysis of results, and clerical tasks.

Mary Witchey Groome, M.A., Associate Professor

EDUCATION

The audio-visual library, directed by Willard H. Meier, received a grant in materials valued at $1,500 from the Minnesota Mining and Manufacturing Company. Used primarily for teacher education, the materials include an overhead projector and accessories and a Thermofax "Secretary" Copying machine that makes transparencies which can be used with the overhead projector.

The Youth Leadership Conference, sponsored by the Pacific Union Conference Youth Department and La Sierra College, was held in the Education Department November 1-12. Directed by Dr. George T. Simpson and Dr. Koenig, the meetings provided the attending leaders with a comprehensive understanding of the interests of young people through the study of the latest research.

BIOLOGY

Ten stereoscopic microscopes costing $135 each were purchased by the Biology Department to aid students in genetics, embryology, and botany classes.

Being taught for the first time this year is a physiology course, designed especially for home economics majors. Geraldine M. Tupper, M.D., teaches this class.

Miss Sharon Michel, a La Sierra graduate, is the latest addition to the department staff. She is teaching Life Science. Mr. Harold R. Milliken, currently on leave, is obtaining a Doctorate from the University of California at Irvine.

CHEMISTRY

Research is the big word in the Chemistry Department, and RNA, the big project. Tom Lloyd Walters, new assistant professor of chemistry, has been studying the structure of RNA (ribonucleic acid) by isolating and classifying enzymes. He has been aided in his research by new equipment which includes a fraction collector, a freeze dryer, and an ultra-violet recorder. Dr. Walters, who received his doctorate in bio-chemistry from Stanford University in 1965, teaches general chemistry, advanced organic chemistry, and biochemistry.

Mrs. Bobetta Shearer Berthelson, a graduate assistant, is another chemistry staff addition this year. Mrs. Berthelson, who is a '65 LSC graduate, teaches one section of general chemistry.

Although his chemistry classes keep Department Chairman L. W. Botimer busy, he still finds time to act as senior class sponsor and to operate frequently his short-wave radio.

PHYSICS AND MATHEMATICS

Analytical Mechanics and Graduate Nuclear Physics are courses being taught by Dr. Lewis Thompson, who came to LSC from the University of Georgia, where he taught from 1959-1963. Dr. Thompson, a native of Athens, Georgia, received his Ph.D. from Rice Institute.

Mr. Samuel A. Myers was awarded a fellowship and teaching assistantship from the Physics and Mathematics Department and is teaching two sections of introductory mathematics besides taking eight hours of classwork toward a Master's Degree in physics. Mr. Myers gained practical experience in his field at Autonetics Division of North American Aviation.

BUSINESS AND SECRETARIAL

The Business and Secretarial Science Department is minus the department chairman, Dr. Ralph Koorenny, who is spending the first of a two-year leave of absence to the government of Ethiopia. At Haile Selassie I University, Dr. Koorenny is director of the faculty and students abroad program. Here at La Sierra College, Mr. R. C. Larsen, who is assisted by seven professors, is carrying the responsibilities of temporary department chairman. The department's part-time instructors include Miss Esther Evanenko, who teaches medical terminology, Mr. Fred Golles, Riverside lawyer and former LSC student, who teaches business law, Mr. Clarence Newby, San Bernardino CPA, who teaches fund accounting, Mr. Raymond Wagner, Loma Linda CPA, who teaches advanced accounting, Mr. Paul Rosberg, a teacher at Fullerton College, who teaches beginning typewriting, Mr. C. Victor Way, former LSC student, who teaches office management, and Mr. Roscoe Swan, LSC student finance manager, who teaches the newest course in the business department, salesmanship. Miss Prudence Ortner was accepted into the Alpha Chapter of Delta Phi Epsilon, a national honorary graduate fraternity for people in business education at Colorado State University.

The Secretarial Science Department is benefitting from the use of six new electric typewriters, and the business machines class has obtained a new printing calculator. A new four-unit tape recorder console is being used by the shorthand classes for shorthand dictation to permit transcribing at different speeds.

Harvey L. Caviness, M.Ed., Assistant Professor

Irene E. Ortner, M.A., Professor

MODERN LANGUAGES

A Dage-Bell language laboratory with booth-like desks and control panels for 36 students is increasing the efficiency of the Modern Language Department. With the use of the instructor's console, teachers are able to monitor each student's efforts in pronunciation and diction, make comments to individual students, and play tapes or records for whole or parts of the class. The student booths are equipped with input and output channels to allow pupils to record and play back the cartridge tapes at will. Brown wall-to-wall carpeting and acoustical ceiling make the room virtually soundproof.

Typical of the active language faculty is Dr. Grace Alvarez, who has been appointed by the State of California to be National Defense Education Language consultant for the Alvord School District. Dr. Alvarez also toured Spain, France, and Portugal last summer doing research. Dr. Kaljo Magi, assistant professor of modern language, obtained his Ph.D. in German linguistics at New York University.

SPEECH

Drama I and II is now taught by the Speech Department and the courses offer three hours of credit each semester. The class has four instructors: Paul O. Campbell, who teaches the history and philosophy of drama; Jack Hartley and Dr. Donald Dick, who teach stagecraft (costuming, lighting, and related subjects); and Dr. W. Fletcher Tarr, who teaches interpretation. The purpose of the class is to show drama as a mass medium of communication, to study its history, to portray its potential for the church, to analyze great plays, and to provide students opportunity to participate in the production, acting, and development of backstage skills. This class will produce "Our Town," this year's annual speech production.

Last summer the Association for Professional Broadcasting published Dr. Donald Dick's bibliography of religious broadcasting in the Journal of Broadcasting; **Dr. Dick compiled this bibliography as part of his dissertation for his doctorate at Michigan State University.**

Mr. Jack L. Hartley, who joined the speech faculty this year, is teaching five courses including Audiology, an upper division class stressing the factors underlying hearing impairment and its discovery.

A mass communications workshop held October 18, 19, and 21 and covering the areas of radio, television, newspapers, books, and magazines was coordinated by Dr. Dick.

ENGLISH

Three separate programs of specialization are now offered in the English Department. Depending upon his interests, the English major may choose the program emphasizing literature, journalism, or secondary teaching.

Dr. Lawrence E. Mobley became chairman of the English Department this year, and the job of METEOR advisor was added to his duties.

Journalism courses have been incorporated into the English Department for the first time. Newswriting, the class responsible for producing most of the stories printed in the CRITERION, is being taught by Mr. John Parrish, Director of Public Information for Loma Linda University. Mr. Parrish also advises the "CRITTER" staff.

Another addition to the teaching staff, Mrs. Sharon Smith, who replaced Mrs. Marilee Cothren at the semester, is teaching one of the twelve sections of Freshman Composition, the general studies course which is, this year, placing special emphasis on the correction of spelling problems.

MUSIC

The Music Department presented its 26th annual faculty concert in the autumn semester. Dr. Perry Beach and Dr. Allen Craw performed duo-piano selections. Dr. Beach, after eight years of teaching piano at LSC, will sail for France as the 1966-1967 LSC Year Abroad advisor.

Harold Hannum, head of the Music Department, is also organist at the La Sierra Seventh-day Adventist Church. Mr. Hannum, a member of the American Guild of Organists, has been teaching piano and organ at LSC for 22 years.

Perry Beach, Ph.D., Professor

H. Allen Craw, Ph.D., Associate Professor

MUSIC

Professor Walters will conduct the mass orchestra at the General Conference of Seventh-day Adventists in Detroit this summer. "Prof" Walters is a member of the General Conference Music Committee.

Miss Joann Robbins, voice instructor and director of Choir I, received her second Master of Music degree this summer in the history of music and musical styles.

Eugene Nash, assistant professor of music, directs the largest band in La Sierra College history. The 67-member band presented programs at different schools and churches in the Southern California area during its weekend tours. Each spring the band entertains LSC students with semi-classical music during its promenade concerts on the lawn.

The new flat-rate tuition system provides opportunity for students to enjoy music lessons without having to pay additional lesson fees.

HISTORY AND POLITICAL SCIENCE

The big event in the History Department this year was the 1965 world tour conducted by Dr. Wilfred J. Airey, department chairman. A group of 63, including 24 LSC-ites, toured Europe, the Middle East, and the Orient for 71 days. This was Dr. Airey's second world tour and La Sierra's fourth consecutive summer tour.

Dr. Frederick G. Hoyt, who is spending a full year abroad in Europe, is teaching history at the Seminaire Adventiste in France in addition to advising the American students studying on the Year-Abroad Program at Collonges, France, and Darmstadt, Germany.

Dr. Alonzo L. Baker, a popular lecturer, presented the topic "The Russian Bear vs. the Chinese Dragon" for a Student Speaker's Chair program. The title of President Emeritus was awarded Dr. William M. Landeen by the Board of Trustees for his outstanding leadership as president of La Sierra College from 1960-62 and from December, 1963 to June, 1965.

Coming events in the History Department include a summer tour of Latin America which will be conducted by Dr. Airey. Four hours of credit may be earned in History of the Americas or Latin American History on this 31-day "grand circle" tour.

RELIGION

The acquisition of a new professor, a new class, and preaching aids mean development in the Religion Department. Elder Gordon Paxton, a 1956 graduate of LSC and former pastor of the Point Loma Seventh-day Adventist Church, has joined the religion faculty and is teaching the new sophomore course, Christian Beliefs, a class emphasizing the great doctrinal themes of the Bible. To broaden the background of theology majors, the department has obtained for student use recordings of great sermons by the world's most outstanding preachers.

During the first semester fourteen junior and senior theology majors worked as ministerial externs in the churches surrounding La Sierra. Sponsored by the department of religion, these students gain practical experience in assisting the pastors of participating churches. Several members of the department's staff are actively engaged in graduate study: Elder Royal Sage is working toward a doctorate in New Testament Studies; Elder Daniel Cotton is taking graduate work in Christian Philosophy and Ethics; and Elder Fritz Guy is on his second year of leave, obtaining his doctorate in Systematic Theology at the University of Chicago. During the last part of December, Dr. J. C. Haussler attended a conference in San Francisco of the American Society of Church History of which he has been a member for 30 years.

Peter George Strutz is acting head of the Behavioral Science Department in the absence of Dr. Stanley Bull, who is teaching at Middle East College in Lebanon. The doctoral thesis written by Mr. Strutz is being considered by the University of Alberta, Canada.

Probationary work is included in the field work of seven sociology students. This is the second year for the field program. Seventy majors made the Behavioral Science Department the largest field of specialization on campus.

A basketball workshop taught by Mr. John Bunn, chairman of the National Basketball Rules Committee, stresses analysis of the sport in terms of physics, as well as technique, theory, and strategy.

Marion A. Pritchard is directing LSC's intramural program in soccer, volleyball, and softball, as well as teaching full time. Mr. Pritchard has done graduate work toward a Master's Degree in physical education at the University of Nebraska.

Construction on a new home economics building is scheduled to begin this year. The two-story structure will be located behind the present home economics building.

The new building will have research facilities and a textiles lab. The first floor will contain foods classrooms with demonstration platforms, an animal research lab to be used for graduate work in dietetics, and a dining room with folding partitions for banquet use.

The second floor will contain a home furnishings lab, a millinery classroom, a clothing lab with individual sewing units, and a child development lab with a one-way window and an outside playground for observational purposes. A lounge with informal atmosphere for relaxation, eating, and studying will be open to everyone.

Miss Shirley T. Moore, who received her Ph.D. from Michigan State University, teaches graduate classes, including Research in Home Economics, Techniques of Fitting, Evaluations in Home Economics, and Masters Thesis.

Fifteen of the 55 home economics majors are seniors this year.

INDUSTRIAL EDUCATION

Automotive Machines, taught by Mr. Jack Walcker, department head, has been added to the curriculum of the Industrial Education Department. A complete set of Simpson Tune-up Tools is being used in the workshop located in a section of the old college store this year.

Two former teachers are again instructing in the department. A. L. Toews is teaching Furniture Construction and Technical Drawing, and Mr. Russell H. Emmerson is also instructing.

FOOD SERVICE

The LSC Commons was entered in the annual Food Service Awards program sponsored by Institutions Magazine. Extensive use is made of the new cafeteria stainless steel equipment, terazzo floors, and the conveyor belt which returns dishes to the washing area. Paul S. Damazo, who has a M.S. degree and is Consultant Dietician, designed and directs the use of the food service facilities.

Seventy-five students can be served per minute in the dining Commons new "scramble system." Instead of waiting in line, students circulate around a hollow-square area, choosing the food they want from the abundant selection.

Twenty loudspeakers were installed in the Commons as part of the $6,000 sound system that provides music for dining. Four hundred fifty place settings of Jackson China are available for use on special occasions, such as banquets.

HEALTH SERVICE

The Health Service Department shows changes of policy and personnel, including a new school nurse, Mrs. Jane Kaspereen, R.N.

Assisting her are three students: Donna Green, a graduate nurse, relieves Mrs. Kaspereen on Monday and Thursday evenings; Ron Miller, junior music major and former medic, assists in clerical work and nursing duties; and Darlene Kelly, a licensed vocational nurse, also aids in nursing duties.

The newest policy change provides for meal trays to be taken to patients in their dormitory rooms.

CAMPUS SECURITY

The campus security, headed by B. J. Cao, added three new members to its force this year: Ken Smith, Marshall Christianson, and Carl Rusch. Jeff Cao, Ed Ricketts, Terry Gibbon, Jim Leech, and Pete Cavanaugh make up the rest of the staff.

The security patrol office is located in the back of the vacated college market. Three walkie-talkies are used by security officers on duty. Among the patrol's responsibilities are the regulating of campus parking and the organizing and executing of fire drills in the dormitories.

B. J. Cao, B.A., Director of Campus Security

Clifton D. Hill, Superintendent of College Laundry

LAUNDRY

Laundry service expenses for dormitory students are included in the tuition, and the laundry provides a pick-up service to each dormitory once a week. The use of name tapes on laundry facilitates sorting.

MAINTENANCE AND CUSTODIAL

The custodial service work force numbers 52, the largest in the history of the department, and Alvaro R. Azevedo, LSC graduate of 1965, fills the position of assistant custodian this year to provide additional student supervision in late afternoons and evenings.

Approximately one-third of the student employees are freshmen each working an average of 14 hours a week. A labor pool of 12 students is available to faculty members and college departments.

SERVICE STATION AND MARKET

During the fiscal year, the College Market made over one million dollars in sales—an increase of more than one-third over last year's sales. The book store was incorporated into the market for more efficient student use.

The service station, under the management of the market, distributes 30,000 gallons of gasoline each month to community customers.

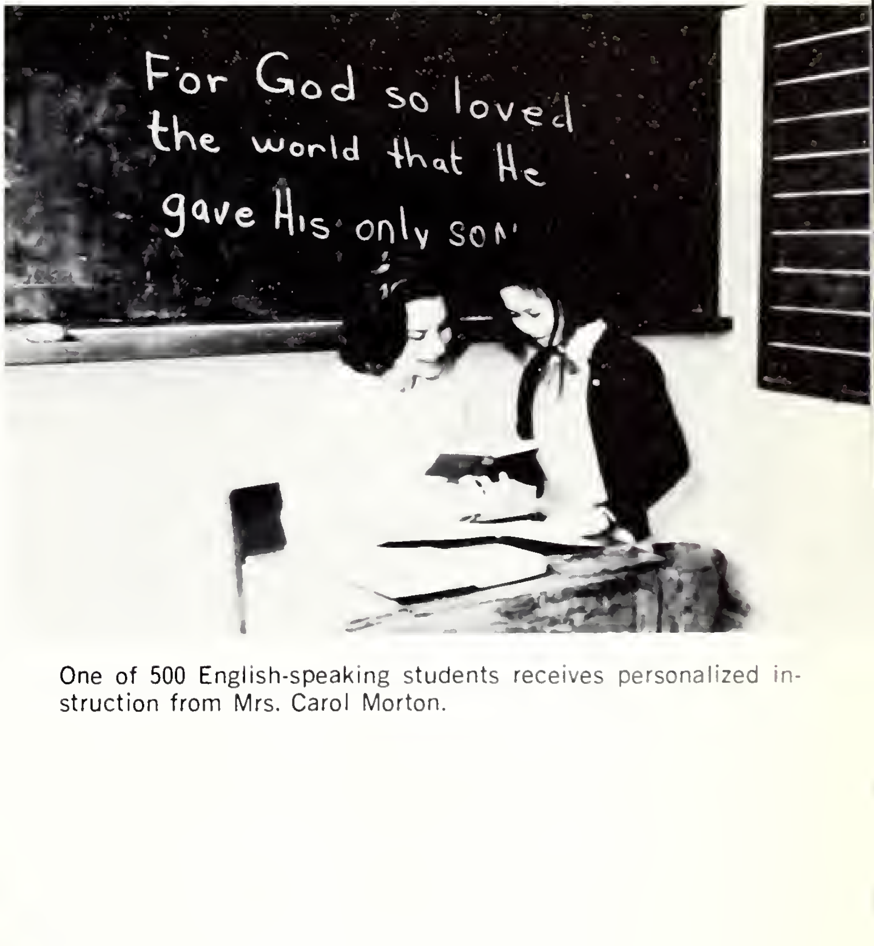
MORTONS TEACH IN HONG KONG



One of 500 English-speaking students receives personalized instruction from Mrs. Carol Morton.

The $2,000 Hong Kong project was the most enthusiastically successful fund-raising project undertaken by La Sierra College students this year. Eighteen hundred dollars were pledged and donated on the first day of the CCL's campaign to send two student missionaries as teachers to the Sam Yuk Middle School of Happy Valley in Hong Kong.

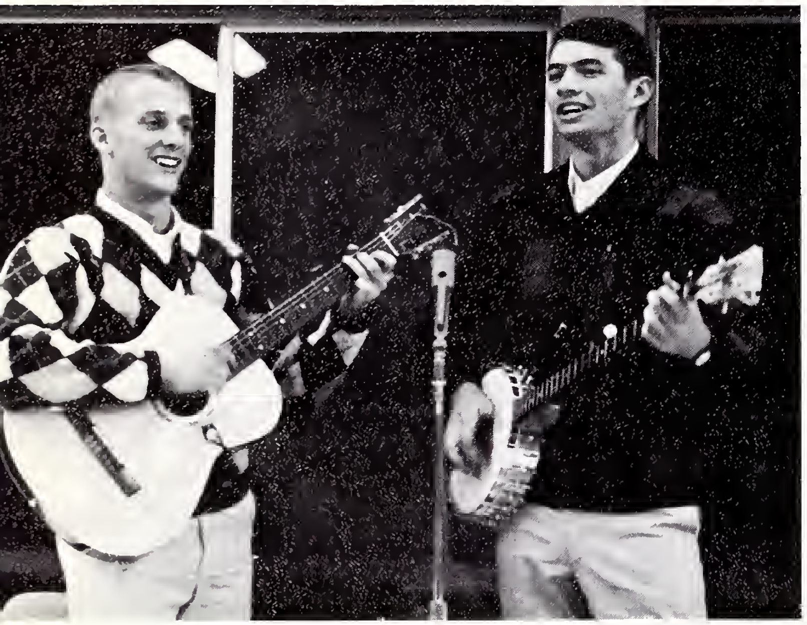
Students have had the benefit of hearing about the worth and challenge of their project from the reports of this year's missionaries, Roger and Carol Morton, and from Phil and JoAnne Jones, who served in Hong Kong last year.

The success of the Hong Kong project since its initiation three years ago is a testimony to the personal determination of La Sierra College students to teach the Gospel in all parts of the world.

An interesting book absorbs the attention of this earnest student.

RELIGIOUS SERVICES REFRESH SNOW-CHILLED GROUP AT RETREAT

Even icy snow could not dampen the jubilant spirit of those attending the ASLSC Retreat held at Cedar Falls in the early fall. The spacious new dining hall was the setting for the Friday evening "sing" led by Bob Herr and for a discussion on Christian witnessing, moderated by Rick Rice, who was assisted by a panel. The chilly air blowing off the previous evening's snow brought the group to church in the old dining hall where spontaneous singing of hymns accompanied by Jo Anne Mazat revealed the spiritual climate of the gathering. Those taking part in Sabbath School and the afternoon's nature walks took full advantage of the majestic surroundings and crisp, clear air. Walt Disney's film, "Big Red," was shown Saturday evening, and an early Sunday breakfast was the send-off for the happy invigorated, and spiritually refreshed students.



Larry Hansen and Richard Harding lead the group in a rousing and original version of "Hey Li Le Li Le" before the feature film, "Big Red," begins.

Jackie Houser and Linda Lawler participate in a game of "Rhythm" before retiring to their cabins for the evening.

Macherie King sings "How Lovely Are Thy Dwellings" for Sabbath School.

GUEST SPEAKERS CHALLENGE CHRISTIAN YOUTH

Kenneth A. Wood, associate editor of the *Review and Herald*, presented the fall Week of Religious Emphasis in which he illuminated the character of God. Born in Shanghai, China, Wood has had wide experience in pastoral and administrative positions.

The spring Week of Religious Emphasis featured Elder Gerald H. Minchin, former chairman of the Atlantic Union College and Washington Missionary College Religion Departments. Elder Minchin presented a series of challenging and inspiring talks.

STUDENTS PRESENT ATTRIBUTES OF CHRIST

Speakers for the Student Week of Devotion are Ron Graybill, Ginnie Mitts, Jonathon Airey, Jeanne Hwang, Jim Ritacca, and Rick Rice.

"Behold the Man" was the theme of the Student Week of Devotion sponsored by the Collegiate Christian League. The six topics presenting the attributes of Christ were "Christ's Responsibility," "Eternal Life," "The Royal Man," "The Monarch," and "The Man Born to Die." This special week of religious emphasis was held February 21-25 and was coordinated by Claudia Kolpacoff.

USHERS ORGANIZE

The Usher's Club was formed in October, 1965, under the auspices of the Christian Collegiate League, to provide ushering services for religious and secular programs sponsored by the college. Eighteen of the 50 club members usher every Friday evening for the Vespers service. Prospective members are chosen with regard to personality and scholastic attainments.

KOINONIA FORMS CHORALE

Koinonia, the ministerial student club, invites total student participation in many of its activities, including the weekly Friday evening meetings that feature qualified speakers on varieties of subjects. The newest addition to the club is the 30-voice Koinonia Chorale under the direction of David Newman, senior theology major.

Koinonia Club officers are Russell Potter, chaplain; Ralph Neideigh, public relations director; Jim Robison, vice-president; Elder Harold Fagal, sponsor; Dick Davidson, president. Not shown: Jaime Cruz, treasurer and Paul Meier, secretary.

TEMPERANCE, COLPORTEURS MAKE PLANS

Temperance Club officers, Rhoenna Armster, vice-president; Curtis Hesse, president; Dr. Margaret Palmer, sponsor; Raul Hayasaka, treasurer; and Isabel de la Torre, publicity secretary; discuss plans for the annual jingle, essay, and poster contests. Not shown: Donna Johnson, assistant secretary.

The highlight of this year's Temperance Club activities was the privilege of hosting the annual National Oratorical Contest held Saturday night, April 16. Contestants representing the major areas of the United States competed for first prize in the national contest. A play entitled "The Toast" was presented by the local chapter of the American Temperance Society in chapel, December 16. Following the presentation, invitations to give the play were received from numerous churches and academies.

Under John Hughson's direction, the Colporteur Club sponsors weekend campouts, pizza parties, and Sabbath afternoon excursions to maintain the enthusiasm of student summer colporteurs. The club also sends out program teams to generate an interest in others for literature evangelism.

Literature evangelism is the key to the activities of the Colporteur Club as planned by officers: FRONT ROW: Becky Niemi, social activities director; Peggy Womack, secretary; Lois Purdy, public relations secretary; BACK ROW: Mr. Roscoe Swan, sponsor; Clyde Evans, treasurer; Jim Robison, vice-president; and John Hughson, president.

STUDENTS VARY SABBATH AFTERNOON ACTIVITIES

The Collegiate Christian League Singing Bands enjoyed the participation of 238 students during the first semester when the program was expanded to a weekly activity. The singing bands visited seven convalescent hospitals and rest homes sixteen times during the fall semester. During the spring semester, singing bands alternated with the newly-initiated Pageant of Triumph home visitation program.

Moment of Meditation, a voluntary worship for all college students, has been exceptionally popular this year. Each Wednesday night at six-thirty-five, campus residents gather in Matheson Chapel for a few quiet minutes of inspirational music and devotional talks given by fellow students.

Dimension is a Sabbath afternoon discussion program planned to stimulate the student to express his views and to broaden his concepts on topics relating to the Christian and his environment. Held once a month in the Student Center, the programs this year featured Mr. Haugen, United States Olympic ski champion; Elder John Osborn, President of the Southeastern California Conference; and Dr. Graham Maxwell, professor of religion at Loma Linda University.

Leonard Willett and Arlene Ermshar join in the Sabbath afternoon singing with residents of a convalescent hospital.

Skip's duties as chief executive of the Associated Students of La Sierra College include supervision of the other offices of the Executive Board and chairmanship of the Service Corps. The vice-president presides over the Senate and plans all Student Speaker's Chair programs. ASLSC-sponsored activities are scheduled and overseen by Bonnie Herr and her Social Activities Committee. Mr. Nelson uses his talents as Dean of Students to advise the Executive Board and Senate regarding activities and government, while Mr. Larson, associate professor of business, is an expert advisor on financial matters. The varied duties of the sergeant-at-arms include directing the singing of the school song at Town Hall meetings, leading out in the flag salute, and obtaining copies of motions presented in Town Hall. Nancy Minick makes posters and announcements to publicize all ASLSC events. Dorothy Henderson records the minutes of Town Hall, Senate, Student-Faculty Council, and Executive Board meetings, delivers mail to the executive offices, and is responsible for all executive correspondence. Dave Wilkins, Collegiate Christian League president, is in charge of the branch of student government dealing with religious affairs. Friendliness and knowledge are important qualities for the six men and six women students who conduct campus tours for visitors at La Sierra College. The members of the Student Development Committee are always available, wearing their powder-blue blazers, to describe in facts and figures future campus development as envisioned in LSC's "Design for a Decade." The opening of the Commons, Alumni Day, and academy visitations gave SDC members the opportunity to meet people, share their pride in LSC, and acquaint the public with La Sierra College and its progressive future.

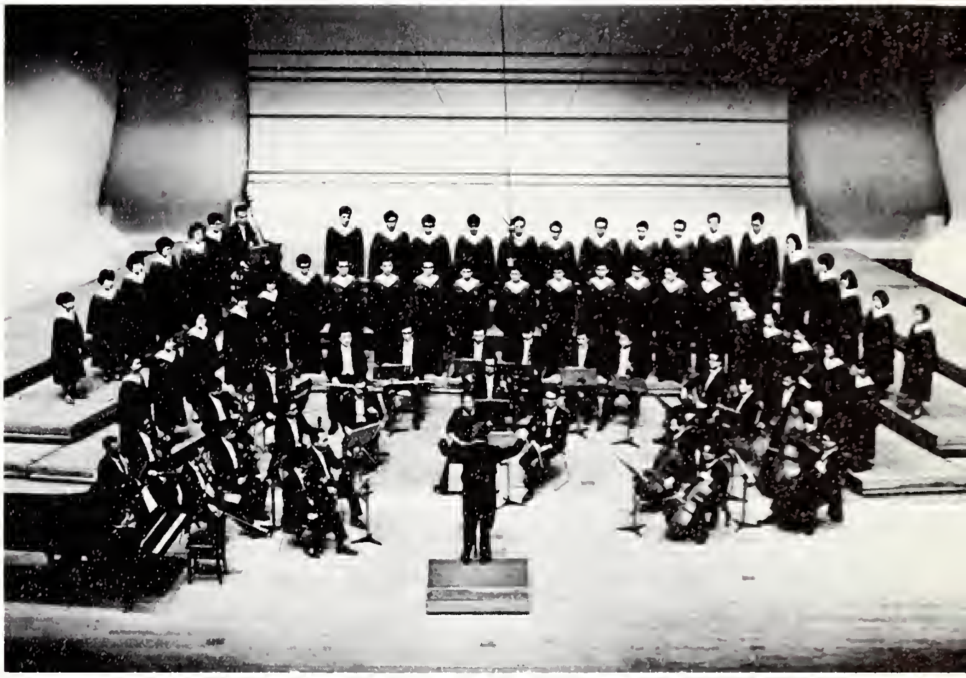
CHORAL ARTS SOCIETY VISITS CAMPUS



Choral Arts Society

The Choral Arts Society of Japan Missionary College sang, by special invitation, at the Episcopalian-sponsored choral contest held in Tokyo last year. Francisco de Arauja, the director, was invited to be on the panel of judges; he also lectured after the concert on the topic, "Sacred Choral Art."

The Choral Arts Society was organized five years ago for the express purpose of spreading the gospel message to Japan's millions. The aim of the group is to paint a tonal picture of the plan of salvation for those who hear the organization sing.

This outstanding musical group sang on the La Sierra College campus late in April.

As the political backbone of the ASLSC, the Elections Board performs behind the scenes to secure valid elections in the student government. Their duties in fulfilling the constitutional requirements include scheduling and publicizing elections, insuring the proper number of candidates, and supervising at the polls.

Town Hall agenda is always the regularly-scheduled business in the Executive Board's semi-monthly meetings. Here the representatives of all members of the student organization discuss policy and problems that concern the running of the ASLSC.

The Elections Board goes over names of possible student candidates. Board members contemplating the list are Doug Baker, freshman representative; Bob Prunty, sophomore representative; Lonnie Walcker, senior representative and board chairman; and Rodney Francis, junior representative.

SERVICE CORPS AND SENATE SET PRECEDENTS

Senior Class Senator Larry Miller challenges a motion which has just been brought before the senators in Monday night Senate meeting.

The Service Corps was officially recognized by the LSC Senate as a service organization intended to utilize the varied interests and talents of La Sierra College students in community service programs. Seventy students volunteered their leisure time to rehabilitating a brain-injured child adopted by the Corps. Voluntary programs have included a junior class baseball game and refreshments at the Boys' Republic, a Home Economics Club fashion show for the girls of Arlington Juvenile Hall, and an arts and crafts program presented by the Teachers of Tomorrow Club for the Cresthaven School for Mentally Deficient Children.

Four newly-elected senators-at-large filled the vacancies in the Senate and enabled it to begin the vital business of government early in the year. Among the legislation passed was a bill to form a committee to study the Federal Work-Study Program and the Humanitarian Bill for student blood donation to Viet Nam war casualties.

Service Corps Program Coordinators are Brent Buell, Cheryl Miller, and Steve Fisher.

SECOND-YEAR EDITOR SERVES CRITERION

This year the Criterion has gone beyond the campus in its coverage of news and issues. Among the major issues discussed in editorials, opinion polls, and feature articles have been the war in Viet Nam, federal aid to education, separation of Church and State, and Christian workers and unions.

The work of the large staff has been directed by Criterion Editor-in-Chief Ron Graybill, the second student in LSC history to serve as editor for two years. John Parrish, public relations director at Loma Linda University, served as sponsor for the college newspaper this year.

BOARDS AID SPORTS AND FRESHMEN

Freshmen were the first students to arrive on campus in September. Freshman orientation was extended to four days this year, and most freshmen, when polled, gave the new program their approval. Special campus tours, registration information, and discussion groups conducted by sophomore and upper division students were all a part of the program planned for the freshmen by Paul Meier, orientation coordinator.

COMMITTEES FURNISH ENTERTAINMENT AND RELAXATION

Arlene Beebe, Steve Fisher, Karyl Jones, Dieta Hennig (committee chairman), Linda Knutsen, Judy Hartley, and Dean Nelson, members of the Student Center Committee, meet to discuss furnishings for the game room.

The furnishings and equipment for the new game and TV rooms were planned by the Student Center Committee this year. Under the direction of Dieta Hennig, the nine-member committee meets regularly to discuss policies and new ideas that help make the Student Center a more relaxing and enjoyable headquarters for LSC students.

The Social Affairs Committee plans various Saturday night programs during the school year. Cliff Houser, committee secretary, coordinates many of the programs. KSDA-FM AIRS PROGRAMS DAILY

New programming on KSDA-FM, the college non-commercial radio station, includes "Allan Burdette Views the News," "Dr. Alonzo Baker Commentary," and "The Sports Show." Operation "Think Big" is under way to move the transmitter and antenna to the top of Two-Bit, the mountain west of the campus. This new antenna position would increase the station's range to serve the Los Angeles, Orange, Riverside, and San Bernardino Counties. KSDA now employs seventeen students and has increased its hours of daily operation from 3:00 to 10:30 p.m. and from 7:00 a.m. to 10:30 p.m. on Saturdays.

Bill Whalen, Herb Lovin, Gary Myers, and Ron Bowes stand by for the signal to begin another evening's news broadcast.

The music library and the station office are carefully attended by Peggy Davis, Joy Ober, Dave Hegarty, and Shirley Welch.

VOCAL GROUPS HARMONIZE

Candlelight and lace create the atmosphere for the madrigal singing of the Chamber Singers.

Blue jackets and golden voices are the distinctive features of LSC's newest vocal organization. Bob Herr, senior music major, is the creator and director of the 24-voice La Sierra College Men's Glee Club, the first of its kind to be sponsored by the music department in the last 15 years.

Upperclassmen are eligible for choral work under the direction of Moses Chalmers, assistant professor of music. In addition to singing for church services regularly, Choir II takes part in the annual Candlelight Concert and spring Concert Tours. Madrigal singing is the specialty of the Chamber Singers, a select group of dedicated vocalists.

Choir I and the Freshmen Singers offer excellent opportunities for incoming freshmen to pool their talents and gain enjoyable musical experience.

The forty-six freshmen of Choir I are directed by Joann Robbins, instructor in music, and are accompanied by Cathy Conrad.

The Men's Glee Club, LSC's newest vocal organization, pauses in Angwin Hall lobby before meeting a singing appointment.

Members of Choir II gather in the sanctuary before providing the music for worship at the Sabbath church service.

Elegant black and white attire distinguishes the Freshmen Singers.

INSTRUMENTAL ORGANIZATIONS PERFORM

"Everyone wants to get in the act!" or so it seemed to Eugene W. Nash who was pleasantly surprised to be directing the largest LSC Concert Band ever organized. New instruments have made wider instrumentation possible, and the busy schedules of the band and Collegians included the annual band concert December 11, the band tour to San Diego February 17 to 19, and three promenade concerts in April and May.

A trip to Detroit sounds great to the members of the La Sierra College Orchestra who have been invited to play at the General Conference Session June 16 to 25. The musicians are doubly proud of their director, Professor Alfred Walters, who has been chosen to direct the General Conference Symphony Orchestra. The trip will climax a successful year for the sixty orchestra members who are led by Frank Hardy, president; Jeanna Hartzell, vice-president; and Judy Schnepper, secretary-treasurer.

SPK ENJOYS ACTIVE YEAR

Cultural enlightenment in a variety of areas is gained by the women of Sigma Phi Kappa at their weekly meetings. A presentation on the poetess Emily Dickinson and a program of dramatic readings by Dr. Orr were planned by Myrtianne Westcott, who completed her first semester's administration with SPK Open House, Christmas Orphan's Party, and an exchange program with the California Baptist College.

The Father-Daughter Banquet on April 17 was the highlight of the second semester's activities under the leadership of Jackie Nichols. Also featured were lectures on Abraham Lincoln, the art of handwriting analysis, and the appearance of the 1953 Rose Parade Queen who presented her memoirs of the famous Tournament of Roses.

Agreeing on plans for future meetings are second semester SPK officers: Jackie Nichols, President; Claudia Kolpacoff, Vice-President; Candy Pender, Secretary; Mickey Randolph, Treasurer; Vernell Evans, Pastor; Joni Ehrler, Senator; Carol Kaneshiro, Parliamentarian; and Helen Lopez, Gladwyn Hall Representative.

The anticipation and joy of the Christmas spirit are written on the faces of these participants in SPK's Christmas Orphans' Party.

MBK OFFICERS FEATURE SPORTS

"Sports" is the password to success and excitement in Mu Beta Kappa Club, as both Bob Ching and Lee Giddings ably demonstrated. To kick-off the fall semester, club members attended a Rams-Forty-Niner football game. Walt Hazzard of the Los Angeles Lakers basketball team spoke to the men of MBK, giving his formula for athletic achievement and highlighting his career.

An African safari on film was presented by Steve Kreiger, and a water skiing trip catered to the fever of the spring semester. A May Dodger game and surfing film followed the formula of sports and more sports, but in contrast were the Father-Son Banquet and the popular MBK Band under Dan Rathbun's direction.

Directing the activities of the men of Mu Beta Kappa during the fall semester are: Roy Lokna, Sergeant-at-arms; Steve Shank, Vice-President; John Jones, Treasurer; Jim Ritacca, Senator; Raul Hayasaka, Pastor; and Bob Ching, President. Not shown is Gordon Seasley, Secretary.

"Competition" was the first topic explored in the Heprec Club's discussion groups which began on November 20. Of further interest to physical education majors were the visits of several academy principals who stated their philosophies on the role of physical education in the schools and the instruction by a Wilson sporting goods salesman in the proper buying of equipment. Several socials and a December weekend trip to Cedar Falls completed the year's activities for Heprec members.

The active Agriculture Club began the school year with a trip to Africa via the film shown by Mr. Macanly, a Yucaipa poultryman. A potluck dinner was held during Thanksgiving vacation, and the Christmas season was celebrated with the donation of a food basket to a needy family and a party at the Ace Recreational Hall. Vocational agriculture in the public school system was discussed by Mr. Shirl Bishop of the Riverside Agriculture Extension Office. Service Corps programs were given by the Agriculture Club at Casa Colina for physically handicapped children and at the California School for the Deaf.

CLUBS PLAN ACTIVITIES

Weekend field trips to Big Pine Recreation Area and Joshua Tree National Monument fulfilled the Biology Club's goal of practical and relaxing education for nature lovers. With a membership of 180, the club has also participated in Service Corps programs and presented monthly seminars on major current trends in biology.

An observatory is the main goal of the Physics Club that was organized in January, 1964. The club plans to submit a proposal to the student section of the American Institute of Physics in order to obtain the money to build an observatory to house two telescopes valued at $6,000.

The summit of Mt. San Jacinto, 10,831 feet above sea level, was conquered by 12 frost-nipped members of the Hiking Club; the remaining 18 hikers found that cold weather hindered their progress. A club-sponsored foot race up Two-Bit Mountain behind the campus was won by Jerry Kunkel, who covered the vertical rise of nearly 1,000 feet in 13 minutes, 9.2 seconds.

CLUBS STUDY CULTURES

Le Cercle Francais, with a membership of thirty, is organized to promote the study of the French language and literature on campus, and students who have studied and visited in France are especially urged to join the club. A special program on French culture presented at Patton State Hospital for the Service Corps was the club's most important program this year.

The members of Deutsch Verein, LSC's German Club, observed German culture in the United States when they attended a German church in Los Angeles and ate at a German restaurant. A trip to the mountains provided these language enthusiasts with another chance to enjoy each other's company and practice their Deutsch.

CLUBS VARY ACTIVITIES

The Teachers of Tomorrow have joined the National Education Association to give their club greater specialization in their activities. One of the featured speakers at TOT's regular meetings was Mr. Robert Hocker, director of pupil personnel services at Alvord Unified School District, who lectured on the teacher's role in the total guidance program of the school.

The Hawaiian Club, unlike most clubs on campus, gives programs instead of presenting special meetings for its members. The Hawaiian students and those interested in Hawaiian culture, have presented numerous programs off campus this year, including those for a social workers' banquet in Riverside, for the Service Corps at Twin Pines, and for the dental students at Loma Linda University. The club also sponsored a snow trip for its members during March.

Future homemakers and teachers of homemaking skills share their interests and talents in the Home Economics Club. Mrs. Jean Symons, president of the Riverside Flower Arrangement Association, demonstrated flower arrangement in a popular program, October 19. Later in the year, a film on career possibilities in home economics was shown, and a student fashion show was presented in connection with the Service Corps at Riverside Juvenile Hall.

The curriculum library is the frequent haunt of the Teachers of Tomorrow led by: FRONT: Betty Shetler, President; Janice Gale, Vice-President; BACK: Pat Wagner, Secretary; Vernell Evans, Service Corps Representative; Lois Purdy, Senator; and Carolyn Bond, Treasurer. Not shown: Mr. W. H. Meier, Sponsor.

Home Economics Club officers are Bette Davis, Sponsor; Kathleen Davis, Secretary; Martha Pope, President; and Susan Rees, Vice-President.

CLUBS FEATURE PROGRAMS

Ernest West, President; Lucille Ball, Vice-President; Gloria Lee, Secretary-Treasurer; and Dr. Betty Stirling, Sponsor, survey program possibilities for the Behavioral Science Club.

A new addition to the growing list of clubs on campus is the Behavioral Science Club, which boasts approximately 30 members. Special films on psychology and sociology are presented on campus for those interested in human behavior.

Vincent Heublein, judge from the Superior Court Commission in Los Angeles, spoke to the Jurisprudence Club on the development of law as a profession. "Law School" was the subject presented by the president of LSC's Alumni Association, Attorney Daryl Yeager. The year's activities culminated in a trip to a Los Angeles County Court session.

A career in the law profession is the goal of the members of the Jurisprudence Club. Shown are officers George Larson, Service Corps Representative; Gene Halstead, Treasurer; Alice Smith, Secretary; Bob Ackerman, President; and Dr. W. Airey, Sponsor. Not shown: Brian Dahl, Vice-President.

Future doctors, dentists, and nurses are led by: FRONT ROW: Kay Reiswig, Secretary; BACK ROW: Ron Rosenquist, Vice-President; Ron Fritz, Public Relations Secretary; Dr. Geraldine Tupper, Advisor; James Ritacca, Treasurer; and Larry Miller, President, the Premed Club officers.

CAMPUS CLUBS KEEP BUSY

The Premed Club, the largest professional club on campus, has over 150 members. Future doctors, dentists, and nurses meet periodically on Wednesday evenings for programs which give them insight into the professions they will be entering. The most important project of the Premed Club this year has been its collection of medicines to stock the new Kerala Hospital in India. The club also organized a tour of the medical and dental schools of Loma Linda University. Among the most interesting programs presented by the Premed Club was the series of three lectures co-sponsored by the Biology Club on bio-mathematics given by Dr. Collier.

The Aviation Club, recently organized by C. J. Hindman, has drawn up a constitution that will enable the club to spread its enthusiasm for flying. Lectures by World War II and test pilots, films on aviation, and trips to airport facilities and airplane manufacturers were included on the club's agenda.

The "wild, blue yonder" is the destination of the Aviation Club officers: Don Goley, Treasurer; Anita Huckaby, Secretary; George Gould, Vice-President; C. J. Hindman, President; and Herbert Poulson, Publicity Director.

Faculty members at Marienhohe Seminary take a break between classes to pose for a picture.

DARMSTADT IS ADDED TO YEAR ABROAD PROGRAM

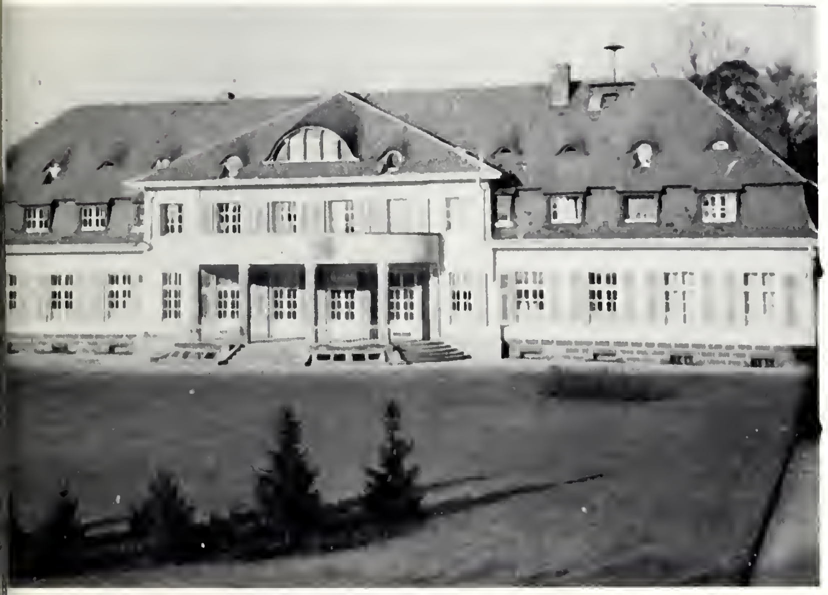
This year the Marienhohe Seminary in Darmstadt, Germany, has been included in the Modern Language Department's Year Abroad Program. The first six La Sierra College students to study under the new program are Sheila Dahl, Judy Hoffman, Anna Lindegren, Jack Lounsbury, Ron Walden, and Sally Brown.

Three of the LSC students enjoyed the privilege of singing the Messiah in Heidelberg on December 12 with a choir that recorded Handel's masterpiece for the Armed Forces Network. This special program was broadcast on Christmas Eve.

"Der Brunnen," the well, is a campus trade mark.

A German-style Santa Claus makes his appearance at the girls' Christmas Party.

Anna Mae Lindegren of LSC and Connie Smith of Walla Walla College have afternoon tea with friends at the Deaednesses' home.



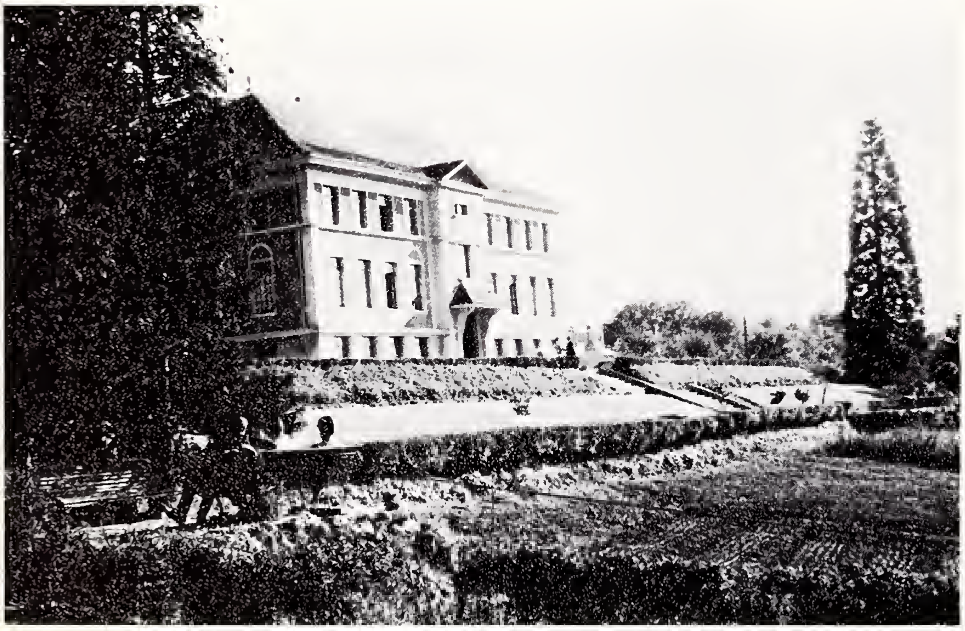
The main building on the Darmstadt campus serves many purposes. The cafeteria is located in the basement; the classrooms and the chapel are on the main floor; the girls' dorm occupies the two top floors.

SCHOLARS STUDY AT COLLONGES

Twelve La Sierra College students left New York on August 19 on the M. S. Aurelia for a year of concentrated language study in Collonges, France.

The Year Abroad Program at the Seminaire Adventiste is in its fourth year of operation with LSC-ites Heather Burns, Louise Charland, Judy Coulston, Jean Drouault, Wayne Hurley, Leslie Mackett, Benton Nicholas, Sharlene Porter, Kandee Reed, Robert Sage, and Janet Wheeler studying in France this year.

La Sierra's students have become increasingly involved in many campus activities. Leslie Mackett arranged the theme song for the college Week of Prayer, and Robert Sage was featured in a Haydn piano concert.



La Centrale contains classrooms and administrative offices.

Keith Callendar, the barber, clips a client.

LA SIERRA STUDENTS TOUR ABROAD

The group of 36 students participating in the fourth Year Abroad Program boarded the M. S. Aurelia August 19 and joined 1,000 student passengers bound for Europe. Under the direction of teachers representing several university faculties, language classes, forum discussions, and other special activities were provided, including classical music, art lectures, films, folk-singing and talent programs.

After nine days en route, the boat docked at Le Havre, France, where the La Sierrans caught the train to Paris. Pierro Capiz of the French department at the Seminary met the group with a chartered Touristcar bus.

The highlights of Paris were seen during a three-day stay, after which the students toured Belgium, Holland, Germany, Austria, and Switzerland, where they attended a Rubenstein concert in Lucerne. Those students who planned to attend Darmstadt separated from the group at Berne, and the rest of the students arrived at Collonges-sous-Seleve three weeks after boarding the boat in New York. During spring vacation, the students visited Italy and the Papal States.

La Sierra students stretch their cramped legs and view one of the many Dutch windmills near Amsterdam.

Arriving at the banquet, Bruce Rich and his date receive a cheery greeting from "Santa Claus," Milford Harrison.

Soloist Brenda Spraggins and Calvin Taylor, Lynwood Academy seniors, entertain at the banquet with "White Christmas."

President David Bieber keeps a watchful eye on the potato salad as Mrs. Bieber serves herself.

"Even the Hater," the highlight of the evening, is presented by the Redlands University Drama Trio.

1001 RANCH HOSTS BANQUETERS

Donald Steinert serves himself at the buffet-style dinner while Donna CoJohn and Carter Lowry look on. Next in line, Debby Butler and Paul Caslavka hold an avid discussion.

The ASLSC Christmas Banquet was held at One Thousand and One Ranch, a new country club in Pedley, on December 5. The elegantly-dressed couples were met at the door of the club by Santa Claus, who directed them to tables on the main floor and on the mezzanine.

During the nine-course buffet dinner served by white-capped chefs, the 152 couples chatted, had their pictures taken, or dined, enjoying the candlelit atmosphere accented by colorful bunches of balloons suspended from the floor of the mezzanine.

Dr. Wilfred Airey, master of ceremonies, introduced the entertainment for the evening. Brenda Spraggins, a senior from Lynwood Academy, sang "Autumn Leaves," and "Summertime," accompanied by Calvin Taylor, also a Lynwood senior, who played several piano solos. The University of Redlands Drama Trio, composed of Carol Oshita, Jim Price, and John Weston, performed "Even the Hater," a timeless treatment of the Cain and Abel theme. Robert Herr's Men's Chorus sang the concluding selections of the evening's program.

Steve Fisher, an honorable judge of freshmen, extends a penalty to Barry Benjamin for not being able to answer correctly a question from the panel of judges.

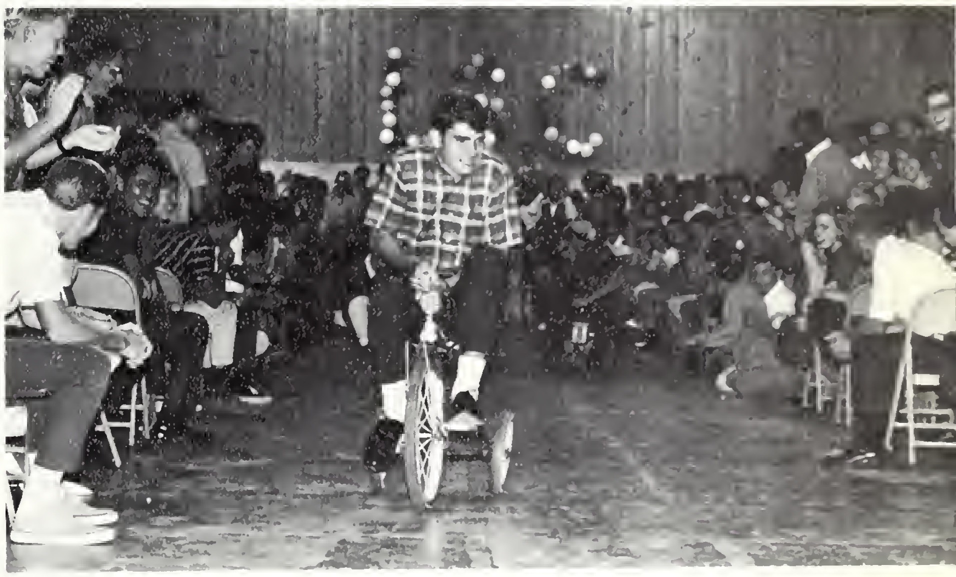
STUDENTS ENJOY ASLSC PARTY

Freshmen were the special object of humorous penalties at the ASLSC Gay Folly-Ra, under the direction of ASLSC Social Activities Director, Bonnie Herr, held in College Hall the first Saturday night of the school year. Bob Herr emceed the program which included a panel of distinguished upper-class judges who presented difficult questions to freshmen. If a freshman could not answer a question, he had to pay the "penalty." Selected freshmen participated in an exciting tricycle race. Gordon Bietz and Bob Herr presented humorous sketches throughout the evening's program.

Alan Larson and Alex Brown take time out from serving to gaze into the camera.



Bill Wagner streaks ahead of his opponents in the exciting tricycle race.

Dick Neufeld, Richard Harding, and John Peterson, the Rock Island Trio, receive a tremendous ovation as they enthusiastically finish a number.

DRAMA CLASS PRESENTS "OUR TOWN" AS ANNUAL SPEECH PRODUCTION

Thornton Wilder's Our Town was presented on April 30 and May 1 by La Sierra College's First Drama Class. The one-cast production included performances by all twenty-five class members with Bonnie Herr and Mike Sheppy taking the lead roles.

(Our Town was also produced at LSC in 1963 as the annual speech production.)

CAMPUS REFLECTS CHRISTMAS SPIRIT

Members of the nativity tableau case are Mike Brown, Gaspar; Patrice Wagner, Mary; Bob Lau, Joseph; Michael Sheppy, Balthazar.

The joyous chords of "Noel! Noel!" broke the dark silence and opened La Sierra College's eighteenth annual Candlelight Festival as Choir I and Choir II sang antiphonally from opposite church balconies. In addition to both choirs, the Freshmen Singers, Chamber Singers, and the orchestra, this year's program included the LSC Men's Glee Club and a guitar choir organized as an accompaniment for guest soloist Janet Pitts. The traditional nativity tableau featured a cast of five, selected from Drama I class. Two performances were presented on December 10 to accommodate the community and student attendance. Students continue to hail the sacred festival as the inspiring highlight of the Christmas season on campus.

Bob Herr signals the lighting of matches as he presents the men of Calkins Hall.

Chilly air and rain forced the annual Carol Sing to be held in College Hall rather than on the new mall as originally planned. However, as in years past, Mr. John T. Hamilton organized and hosted a fine competitive performance by the women of Angwin and Gladwyn, the men of Calkins and MBK, the village students, and the participants from the men's new apartments. A faculty men's chorus directed by Miss Joann Robbins was a special feature of the evening. The freshmen girls of Gladwyn Hall won the honor of having their dormitory name engraved on the carol sing plaque with their renditions of "What Child Is This?" and "Winter Wonderland."

Dennis Blomberg and Larry Reese on guitars and Larry Phinney on the bass accompany the freshmen of MBK under the direction of Don Thurber.

Led by Robin Marshall, the freshmen of Gladwyn Hall sing their way to victory in the annual Carol Sing.

Judy Dalton, Diana Halstead, Darlene Griffith, and Cherise Baker prepare themselves and their room for SPK Open House.

Mary Vogel, leading lady of "Hands Across the Sea," relaxes after the performance.

GIRLS HOST FELLOWS AT SPK OPEN HOUSE

Sigma Phi Kappa Open House has several built-in novel features: the dating is girl-ask-boy, the dorm rooms are immaculate, and the Open House is an every-other-year event. "Hands Across the Sea," a one-act English play by Noel Coward, directed by Jackie Nichols, junior English major, was the featured entertainment for the women of SPK and their guests. Holiday seasons of the year set the theme for decorations in Angwin and Gladwyn Halls.

Fathers and sons eat a five-course meal before the evening's program begins.

SONS TREAT FATHERS AT MBK BANQUET

The Father-Son Banquet, sponsored by Mu Beta Kappa Club, is also a bi-annual event. From near and far, fathers gathered with their sons to share an excellent dinner, a delightful speaker, Dr. Harry Mattison of San Diego, and the good music of the Men's Glee Club under the direction of Bob Herr.

Larry Miller plays a difficult arpeggio on his trumpet.

Freshman Kathy Conrad performs "Without a Song" on the piano as the evening's background music.

CONCERT PERFORMERS ENTERTAIN THE LSC COMMUNITY

The Roger Wagner Chorale opened the La Sierra Community Concert Association's 1965-66 season of four performances. The chorale that Leopold Stokowski called "second to none in the world" was joined by a Sinfonia orchestra to widen the scope of its performances.

Twenty-one-year-old cellist Douglas Davis, who made his Carnegie Hall debut in 1961, performed January 15. Born in California and taught by Gregor Piatrigorsky, Davis has won critical praise and several awards, including the 1957 Merriweather Post National Contest and the 1961 Hollywood Bowl Competition.

Duo-pianists Arthur Gold and Robert Fizdale, called by the New York Herald Tribune "far and away the best duo-pianists in the business" appeared in LSC's College Hall on March 12. The most often-engaged team with the New York Philharmonic, Gold and Fizdale, will again perform with this orchestra in 1966 under the baton of Leonard Bernstein.

Hailed by many critics as one of the great American voices of our time, Robert McFerrin, baritone. gave the final concert of the series. When he made his Metropolitan Opera debut in 1955, he was only the second Negro to have sung with the Metropolitan in its 70-year history and the first member of his race to become a regular member of the Metropolitan Opera Company.

FOUR NEW SENATORS ARE SEATED

Several students ran for the four vacant seats of senator-at-large. On November 11, after presenting platform speeches in Town Hall, the candidates answered questions raised by members of the General Assembly. After an exciting campaign demonstration, LSC students flocked to the polls to decide the fate of the candidates.

When the results were tallied, Bob Hanson, Dan Rathbun, Fred Brown, and Dave Gurney were found to be the winning candidates.

STUDENTS SALUTE NATIONS

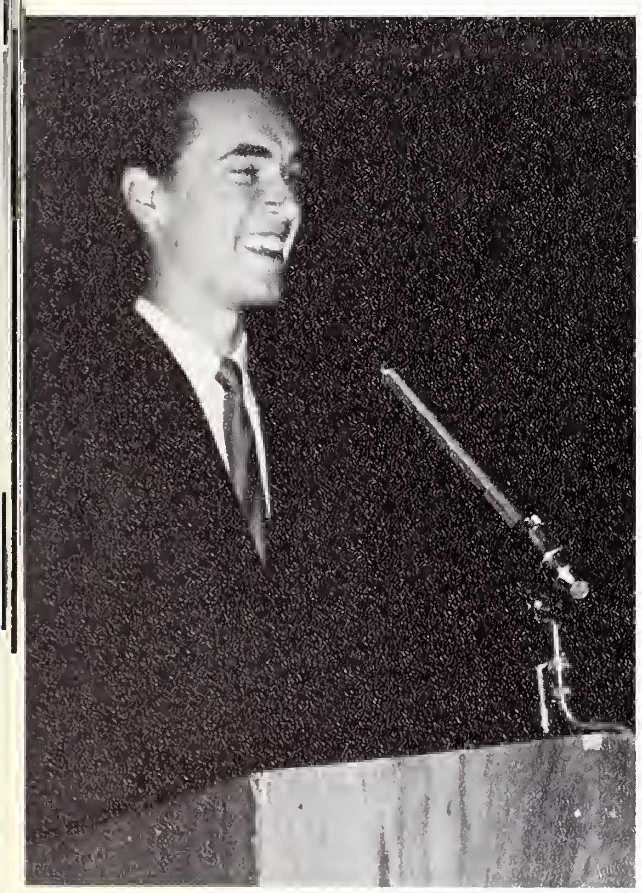
The fourth annual Festival of Nations was held Saturday night, February 19, in College Hall. Food, entertainment, games, films, and talent were offered by twenty campus clubs. Gaily decorated booths were constructed to represent various countries.

Featured attractions included a roving German band, sponsored by the German Club, a bucking "bronco" under the direction of the sophomore class, charcoal caricatures drawn at the French Club booth, and a pie-throwing opportunity with Hiking Club members as patient targets.

The evening's program, emceed by Don Sease, featured a guest folk-singing group, a humorous reading by Kurt Cao, and songs by the Hawaiian Club.

The sight of Debbie Butler being bucked off the "bronco" is extremely amusing to Joanie Hoatson.

Joanie Hoatson asks that the students vote for her as Public Relations Secretary "in spite of my looks."



Dick Duerksen wants the job of ASLSC Treasurer "because my favorite color is green."

Roland Bainer promises, if elected to CCL presidency, to follow up the work of the Service Corps in the community.

CANDIDATES FILE FOR ASLSC OFFICES

One of the closest elections in LSC history awarded the ASLSC presidency to sophomore pre-law student Leonard Ramey, who ran against Stan Aufdemberg, sophomore theology student, for the top post. A record number of 809 voters elected 14 of the 28 candidates to fill student government offices for next year.

Campus student government and politics received enthusiastic support during this active school year. In the midterm senate elections, students cast 395 votes in favor of continuing the services of the new Ushers Club.

Running unopposed for ASLSC Vice-President, Paul Meier pleads, "Vote 'yes' for me, or don't vote—but please don't vote 'no'."

STUDENTS GIVE SPEECHES IN TOWN HALL

Buddy Steen promises more action in the Senate if he is elected senator-at-large.

Bill Emmerson presents his platform for senator.

ART DEPARTMENT FEATURES ART SHOWS

The Art Department presented a second season of excellent art shows in its gallery this year. Displays of work by local artists, the art faculty, and LSC students included oils and pen sketches by Evelyn L. Gathings, serigraphy art by Jay Filson, the senior show of art major Thom Miller, and the Annual Student Art Contest.

La Sierra College art instructor Herschel Hughes and artists Robert Hall, Bill Steinback, and Phil Paradise also displayed some of their work this year.

LEWIS PRESENTS HOPEFUL SENIORS

One hundred sixty-two candidates for the baccalaureate degree were presented by Dr. Richard B. Lewis on December 9, 1965. Dr. George C. S. Benson, president of Claremont Men's College, charged the class of 1966 to uphold the great American traditions of individual development, decentralization of authority, free enterprise, social responsibility, tolerance, and firm religious values in order to insure "Your Future in America."

FACULTY ENTERTAINS BOARD

Mrs. Helen Little, associate professor of English, was Mistress of Ceremonies for the October 15 Faculty-Board Banquet held in the patio room of the Commons. The three hundred attendants were treated to a comedy skit simulating a typical board meeting with faculty members portraying the board. A trio composed of Dr. Lathrop, Professor Chalmers, and Mr. Hevener provided special music, and Miss Joann Robbins rendered a vocal solo.

BEWITCHING HOUR ENTERTAINS HALLOWEENERS

Luanne Ruminson, Bill Hawkins, Vernelle Evans, Anita Lyman, and Bill Aldrich compete in the apple cutting relay.

The Bewitching Hour, sponsored by the Social Affairs Committee, was held in College Hall on Halloween Eve, October 30. Decorations included colorful paper-mache owls, made by the Elementary Education Class, dry tree branches suspended from gymnasium posts, a live "witch," and a living "mummy." Students bobbed for apples, ran relays, formed sides in a game of ping-pong blowing, and participated in a pie-eating contest. Senior Bill Russell emceed the evening's program. Featured performers were pantomimist Albert Marotta and folk singer Clabe Hangan, a counselor of juvenile delinquents from the San Bernardino Division.

MOONLIGHT ENHANCES HARBOR TOUR

Corona Del Mar Beach was the rallying point for the 200 who feasted on spaghetti, salad, roasted corn, and toasted marshmallows before beginning on the Moonlight Cruise sponsored by the ASLSC. A campfire sing-along was directed by Richard Harding, and freshmen and sophomores matched muscles with juniors and seniors in a game of tug-of-war. With exercise and the meal completed, the students began the hour-long cruise, setting out from Newport Harbor under a full moon. The final stop for hot chocolate and donuts on Balboa Island capped the fun-filled and romantic evening.

LSC ALUMNI VIEW CAMPUS DEVELOPMENTS

Alumni Day this year was on Sabbath, March 19. Former LSC students began arriving on campus in time for the morning religious services. Several alumni sang with Choir II, under the direction of Moses Chalmers, for the second church service.

At 1:15 p.m. alumni brought homemade foods, adding to the already bountiful supply of food, to the alumni potluck in the Commons. After dinner, student members of the newly-organized Development Committee took groups of alumni on tours of the campus.

The visiting guests met for a special alumni sundown worship service in the church. Saturday night the annual alumni meeting and program were held in the Commons. Dr. Baker spoke to the group about his trip "Through Russia by Choo-Choo."

The theme, taken from the story by Hans Christian Anderson, was fitted to the Gymkhana production by Dr. Dick. A cast including eleven faculty members was assisted in the program by the Chamber Singers under the direction of Moses A. Chalmers. Cliff Houser, senior speech major, received an award as the outstanding member of the Gymkhana team.

The six captains, Bill Hemmerlin, Wally Roth, Stan Aufdemberg, Lee Giddings, David Walters, and Kurt Cao, then chose team members from a list of students who had signed up for the games.

Each team played five exciting games during the season, which lasted until the last week in October. After the thirty games had been played, Hemmerlin was the unbeaten winner in the league, his team having a record of 5-0.

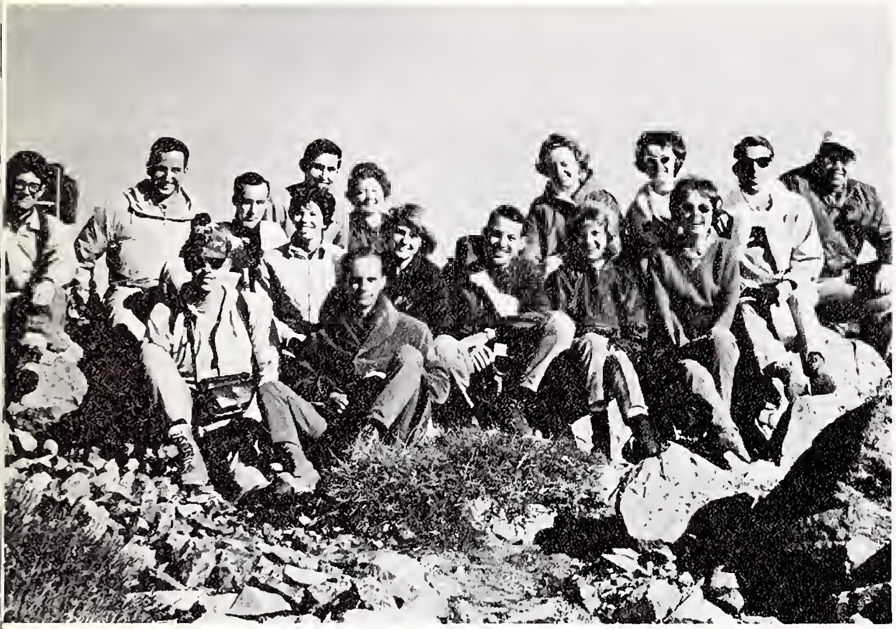
HIKING CLUB BRAVES ELEMENTS

This year the Hiking Club climbed Mt. Baden-Powell and Mt. Santiago. The club members also camped for one weekend and climbed San Jacinto.

Beginning at Poop-out Hill on Friday, March 12, eighteen members of the LSC Hiking Club began working their way up the slopes of Mt. San Gorgonio. Because of deep, powdery snow, the hikers had to make camp at Slushy Meadows. Here students found and cut firewood, set up tube tents, unrolled sleeping bags, and prepared a warm meal. After supper the group gathered around the campfire for a short Vesper service.

After a hearty breakfast and a Sabbath School service, club members split up into smaller groups to hike to various points of interest in the area. One group attempted to reach the top of San Gorgonio. Saturday night students took turns suggesting campfire games and telling ghost stories until fatigue and chilly wind forced each hiker into his sleeping bag.

Sunday morning many club members participated in an action-packed snow fight before once again shouldering their packs and heading down the mountain to warmer air.



Hikers pause for a rest at the top of Mt. Santiago. They are: FRONT ROW: Dennis Miller, Dusty Evans, Ken McDonough, Janine Mercer, Ron Hill, Dorothy Henderson, Carolyn Roth; BACK ROW: Joel Hoag, Gordon Phillips, Eric Lane, Leonard Willett, Jeanne Burton, Cheryl Warner, Patti Hoss, Walter Lancaster, and Raymond Shelden, club sponsor.

ALDRICH'S ORATION CAPTURES PRIZE

Bill Aldrich, junior theology major, was the winner of the La Sierra College Temperance Oratorical Contest held in College Hall on March 10. Aldrich challenged each student to fulfill his responsibility of making the dangers of smoking known to the public. Each of the four runners-up received $25.00. Aldrich received $40.00.

The National Temperance Oratorical Contest was held at LSC on April 16 with the oration winners from each college contest competing in the finals.

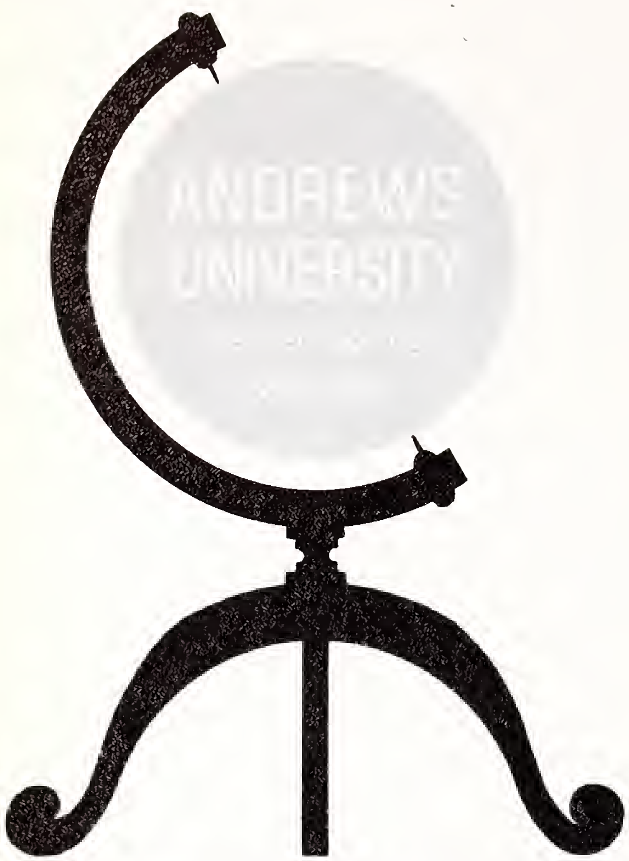
Forty-Third Year of Christian Education



INVITES you to participate in a new and vitalizing experience—spiritual refreshment, mental stimulation, physical development, and social maturation. Your success at Andrews University depends on **YOU**—depends on your desire to be refreshed and stimulated, to develop and mature. Since **1874** Andrews University has been a prime educator of men and women seeking such an experience.

IN PLANNING YOUR FUTURE . . .

you should be planning for advanced education to meet the challenge of these modern times. At the same time we invite you to consider where you will serve when that training is finished, for no life is complete without service. We invite you to plan for a future in this populous conference where many must still learn of Christ's love and His soon coming.
